As Artur Sosna, Chairman of LPBC said, this initiative will focus mainly on three topics:

1. Start-up's
2. Corporations, banks, insurance companies
3. Tourism

These areas of opportunities should encourage businesses from both countries to develop their interest followed by making investments.

We see our involvement in boosting these opportunities thanks to:

1. Our networking platform,

3. Our language and cultural competencies of both markets,
4. Our close connection to decision-makers in both countries,
5. Our “Advisory Board” which is led by Dr. Donat Jagiello.

To complete our mission, we warmly invite all people interested in business relations between Luxembourg and Poland to join our forces.

Our official working language will be English.

Yours faithfully
