7th EDITION OF THE ENTREPRENEURIAL WOMAN PROJECT

**Need to learn how to run a business?
You have come to the right place!**

"Being part of EWP was the exact program that I needed to motivate, encourage and help me towards my journey as an entrepreneur in Luxembourg. Not only is it a program providing us with practical information to start a business, the most valuable aspect of EWP is the community that is fostered amongst the women if you choose to make the most out of it. In the end, the encouragement that you will receive amongst each other may be the last push you need to start your new chapter" says **Amy Sinner-Park**.

The Modu Shop

Amy has finished the 5th edition of [Entrepreneurial Woman Project](#) course in 2018 and now is the successful owner of one of Luxembourg's artisanal boutiques called [The Modu Shop](#) based in the Luxembourg City. Selling sustainable fashion and items The Modu Shop encourages to shop purposefully - *"making the world a better place while looking and feeling good"*.
