

DIGITAL ICT WEEK

30th November - 4th December 2020

DIGITAL ICT WEEK

The Luxembourg Chamber of Commerce and its Enterprise Europe Network in collaboration with Farvest will organise the Digital ICT Week from 30th November to 4th December 2020. The event will take place virtually and will integrate several highlights such as the ITone Gala Awards as well as a Web Summit side event.

Webinars

Round tables

International Business Meetings by *b2fair*

Virtual Tech Tours

Mentor Meetings

Virtual Company Presentations

ITone Gala Awards

Since 2007, the Luxembourg ICT Awards organised by Farvest aim to promote and spread best practices, between the country's professionals and recognition of the best solutions provided on the market. The event brings together numerous key actors from Luxembourg's ICT community and host a round table with high level CIOs.

Side Event Web Summit

As the Web Summit will be organised from 2nd to 4th December, the Digital ICT Week will continue to organise international b2b meetings by *b2fair* and will host a side event @ Websummit thanks to our close collaboration with IAPMEI Portugal. The side event will include key note speeches and presentation of startups from Luxembourg and Portugal.

IMPORTANT NOTICE: Tickets to Web Summit Online Tech Event 2020 will not be provided!
