LPCC organises the 8<sup>th</sup> edition of the project called EWP. This project is aimed at English-speaking women who live in our area and are ready for the next step in becoming an entrepreneur. What are your thoughts on the event as a whole?

**PETYA DIMOTROVA** I'm happy that there are so many women that are ready to launch their own businesses. The Entrepreneurial Women Project is the perfect programme to help these women acquire additional knowledge and be prepared for the challenges of such new business initiatives.

**What are you looking to accomplish at this event?**

**PETYA DIMOTROVA** As a trainer on corporate income tax and personal tax aspects, I hope that sharing my knowledge and giving them advice will be useful to them in choosing the right set-up for starting their business and facilitate their day-to-day management.
