**26
OCT**

LAST DAY OF THE TRAINING **SPEECHES & VOTING**

On the last day of training, the participants pitch their business ideas in a form of a short presentation.

Your public is your investor. Imagine being in a room of people you need to convince of the future success of your business idea. Be charismatic, be creative, and own your words. And most importantly, don't forget about the time limit! You have 3-7min to present your pitch.

Best Business Idea Presentation
(evaluation system)
